MARIAN LIBRARY - DAEMEN COLLEGE

378.73 R789 2003 REF

Only 55 years ago, if one were to look out at the property of 4380 Main Street, the Waite property, they would have glimpsed a beautiful mansion of blues and grays, through the rows or corn beyond a vast potato field. This mansion was chosen, and the surrounding acres purchased, by the sisters of the Order of Saint Francis, to serve as the location for the new women's college of Western New York. It was named Rosary Hill College. After much preparation, the mansion, known as Rosary Hall, was transformed into a learning environment. The basement was converted into a cafeteria, parlors and bedrooms into classrooms and studios, the garage into a science lab, and the beautiful drawing room into a library. In September of 1948, the 13 faculty members welcomed the first freshman class, comprised of 44 young women.

Mother M. Alphonse Kampshoff was named the first President of the College and Sister Gonzago Miller the first Academic Dean. A Bachelor of the Arts was offered with concentrations in art, music, biology, English, French, history and math. The art

and music concentrations were especially appealing to the new students due to it's absence from other local college and university programs.

In 1951, Rosary Hill was proud to receive an Absolute Charter which allowed degrees to be granted by the New York State Educational Department. Through the following years the college grew and grew. Enrollment numbers climbed as the first 26 students graduated in 1952. In 1955, the campus expanded toward Main Street with the construction of Marian Library. In 1956, the Middle States Association granted accreditation to Rosary Hill and the first residence building, Alverno Hall (now Curtis Hall), was purchased and opened to students. Another campus addition occurred in 1958, with the construction of massive Duns Scotus Hall. The campus continued it's growth and expansion through the 60's and 70's. The first full-time male student was enrolled at Rosary Hall in 1965, as total enrollment passed 1100. In 1976, Rosary Hall was renamed Daemen after the Order of Saint Francis's founder, Magdelene Daemen.

First President
of Rosary Hall

Mother M.
Alphonse
Kampshoff

Today, Daemen continues to grow and expand. It now offers a wide range of majors and programs, has a strong student activities agenda, and is attracting students from all over the country. Daemen is regarded with national respect and admiration, and boasts one of the most prestigious physical therapy programs in the country. The most dramatic change on campus this year was the construction of our new Campus Village residence halls, allowing upper classmen to live in modern, state-of-the-art housing. The college also acquired a large mansion for the president's residence. It is certain that in the years to come, Daemen will continue on its path of excellence.

Orientation

Orientation is held every July to welcome the incoming freshmen, and help them adjust to college life. Freshmen spend two days and one night on campus meeting faculty, staff, and students. Many activities are planned to get the students involved and to meet one another.

Welcome Back Week happens at the start of the Fall semester. Activities are planned to welcome returning students back to campus, as well as to welcome new students coming to the college for the first time. This year's activities included various games and contests, and an ice cream "chill-out".

Welcome Back Week

SENIOR

GRADUATION

2
0
0
3

Graduation is a time to reflect back on all of the hard work you have completed over the past four years. It's a time for celebration and a time of sadness. You have grown close to your fellow classmates over the years and now you are each going in your own directions. Congratulations and good luck to all of you in your future endeavors!

SENIOR WEEK

Congratulations Class of 2003

Every year right before graduation, there is a week of activities planned specifically for seniors. It's a way for all of the seniors to get together one last time before heading their separate ways, into the future. This year's activities included a Campus Hot Dog Roast, a night at the Montana Room, a Dinner Cruise on the Niagara Clipper, the annual Baccalaureate Ceremony and Reception, and a graduation morning Champagne Brunch.

Food Fest

Daemen loves food! Food Fest is sponsored by the Multi-Cultural Club every February and allows students and faculty to chow down for free on all kinds of treats. This year we also munched to the sounds of *Caribbean Extravaganza*.

Cake Decorating

Daemen further demonstrated its love for food in the campus-wide cake decorating contest, and then showed its sense of community and goodwill by donating the freshly decorated cakes to local food shelters.

Open House

Several times a year the school opens its doors and allows the public to learn about the school, its clubs and its associations. Here is Sheree checking out the schedule of events and Lambada Chi Iota setting up their table in preparation for the event.

Annual Bonfire

An annual tradition at Daemen, a huge bonfire is started and monitored by the Snyder Fire Department, following our Homeless Awareness gathering. Many students shared their thoughts, speaking at the event.

DAEMEN EVENTS

Home - Coming

This year's Homecoming Weekend was full of many events including Casino Night, run by Lambda Chi Iota and Phi Beta Gama, as well as entertainment by *Grey Street*.

Fall Fest

Fall Fest is a campus-wide event held the second week of the semester. This year it included activities such as caricatures by Walt Schoonmaker and entertainment by Dan Erickson with *27 Dozen*, *Rufus Maneuvers* and Alison Pipitone.

CAR WRECK

Working to inform students during Alcohol Awareness week, the Snyder Fire Department and the Amherst Police Department helped to simulate a DWI car crash.

DATING VIOLENCE

A theatrical performance by *Equality* help teach students that Dating Violence is not a "laughing matter."

SELF DEFENSE

Continuing to stride toward teaching students to be safe, a self defense workshop was held to teach personal safety.

WELLNESS FAIR

The Amherst Police Department gave a demonstration with DWI goggles.

BOO BAR

Halloween always brings out the best in Daemen students. The annual "Boobar" party is one of Daemen's most popular traditions. This year's Boobar saw everything from pimps and ghouls to the crocodile hunters and cross-dressers. It even brought Mark back to visit his former Alma Mater and allowed Paul to show his feminine side. Other ghoulish events included Canavan's Hall Decorating Contest and \$25 to the most creative jack-o-lantern.

As the night drew closer to the bewitching hour, Amie and Kelly continued their patrol, Mike Patane found his place as the center of attention (as always). Justin and Ken continued their duties for the secret service, as Linda fulfilled her duties at the "Witch" Desk.

TGIF

A popular event at Daemen are the TGIF parties held every Friday in the Cyber Cafe, with a different club or association playing host at each event. Every week different entertainment and activities, such as "Make Your Own Video" are sponsored. This years musical guests included Jeff Hewitt, the band *Toast*, and the steel drum band *Caribbean Extavaganza*. We also had a special guest appearance from Resident Life Director Dan, singing "New York, New York."

MR. DAEMEN

BID OFF

FASHION SHOW

Daemen holds several events every year that allow students to show off their "good side." Delta Phi Mu was host to Mr. and Ms. Daemen including acts by Jason Sabo, "the dummy", and Andy Wheeler, as well as Senior Class President Katie Henninger, showing off her musical talent. Antoniette DeBel was crowned this year's Ms. Daemen. Resident Council was host to the Annual Bachelor Bid Off allowing PJ and the crew to auction off Daemen's most eligible singles to the highest bidder. We also saw Daemen students strut their stuff at this year's Fashion Show run by the Daemen Step Team.

Bingo & The Price Is Right

Not that Daemen is in the habit of promoting gambling, but this year students were given a chance to win prizes at "Not Your Grandmother's Bingo" and Resident Life's "The Price Is Right", hosted by our very own Dan "Barker."

Psychic Fair

Another annual event held at Daemen is the Psychic Fair to which Delta Phi Mu plays host. It's five psychics -- for five intense hours. This event is so popular, and the psychic energy around campus is so strong, it even attracts people from the community to participate.

Hypnotist

Another popular event is the Hypnotist, Ron Jeffreys. He definitely knows how to capture the attention of an audience.

AIR BAND

The annual competition, Airband, sponsored by the SPTA, is now one of the longest living traditions on campus. Groups are judged on their performance on stage, like the girls from *Moulan Rouge* and the *Jingerheimer Junctions* crew. Along with the main competition, there were milk drinking contests, tricycle races and bobbing for apples.

Daemen likes to keep its students begging for more when it comes to music. This year, like always, Daemen offered a wide array of musical events, including the First Annual Battle of the Bands sponsored by the Art Club. This year the \$500 prize was taken home by Daemen's own Dan Erickson and his band *Today's Not Tomorrow*.

Music

We also saw musical performances at Coffeehouses which, this year, included *Leah Zicari*, and *The Revivals*. We were even provided with some dining music including *David Kane* from *Them JazzBeards* who stunned us with his solo piano.

Like music, poetry is another popular art form at Daemen. We heard all kinds of original lyrics during open-mic nights.

These nights also yielded more musical performances, like Jon on the keyboard. The Daemen Step Team gave several amazing performances... and then there was Nick... in drag... again!

Luau * Beach Party * Toga * Festival

Spring Fest

Every Spring Daemen throws a big party on the front lawn, known as Spring Fest. Music, food, a slip n' slide, jousting, boxing, bouncy rooms, juggling, dares, and fun. This year's Spring Fest brought us music from *More Than Me* and *Dinkus 9*.
