Daemen College Liberty Partnership Program

by Traci Jackson

Daemen, Buffalo State, Geneseo, Alfred, St. Lawrence, Potsdam, Erie Community College, St. Bonaventure, Indiana State, SUNY at Morrisville, Brockport, and RIT; all these colleges have accepted Liberty Partnership high school students. This is a real achievement because each and every one of our Liberty Partnership Program participants are identified as being in real danger of dropping out of school. What made the difference? What changed potential dropouts into high school graduates? For these young people the Daemen College Liberty Partnership Program (DCLPP) was the answer.

What changed potential dropouts into high school graduates? For these young people the Daemen College Liberty Partnership Program was the answer.

Daemen College, as part of its ongoing efforts to address societal concerns, works in partnership with South Park High and School #33 Bilingual Center School in the Buffalo Public School System. The program, now in its seventh year of operation, is funded by the State Education Department’s Bureau of College, School, and Community Collaboration, and provides services to 170 high school and middle school students and their families (85 at South Park High and 85 at School #33). Sixth through twelfth graders make up the student population.

The DCLPP is designed to facilitate and enhance the education of our youth at risk. The program’s goals are to increase academic performance levels, enhance the students’ self-image, and increase school attendance.

The DCLPP has several components. The academic component takes the form of tutoring (both individual and group), and homework assistance, with a focus on core curriculum areas. Beyond academic support, at-risk students require additional personal and social support services to enable them to stay in school.

Career awareness is also a component of the program, and provides opportunities for students to obtain an increased understanding of the world of work. Career workshops, individual discussions, in-school college search seminars, interactions with role models, and tours of business sites facilitate this objective.

One of the most important goals of the program is to build self-esteem and character. Daemen College Liberty Partnership program staff work hard to instill in the students a sense of pride in self. Before any student can successfully compete for a job or a place in a college’s freshman class, he/she has to believe in him/herself and his/her abilities to achieve.

The DCLPP is located in Office #7 in Canavan Hall. Traci Jackson is the Director of the Program, Monique Rhodes and Jorge Negron are Field Site-Coordinators, and Maria Rose is the Secretary/Administrative Assistant.

Stop by and say "hello"!

Parking Stickers

Students, faculty, and staff;
Don't forget to pick up your 1997-98 parking permit stickers at Wick Desk.
You'll need to bring your car registration for each vehicle for which you need a sticker, and your currently validated ID.

Drive Safely!

Want To Be A Campus DJ?

Do you have a good collection of CD's? Would you be interested in making a little extra cash? The Student Activities Office is looking for an extra student (or possibly two) to add to our list of DJ's certified to use the Student Association sound system at parties.
If you're interested, stop by the Student Activities Office for more information.

Class Officer Elections Coming Soon!

Every fall, the Student Association Executive Board holds elections for class officers (the president of each class). The four class officers along with the executive board constitute the Student Association Senate, which meets weekly (Tuesdays, at 11:30 AM in Wick Center Room 113-115) to discuss campus life, plan activities, and vote on Student Activities fee expenditures.

If you're interested in running for one of the class president positions, start putting together a one-page “letter of intent” which lists your past experiences and pertinent skills, and tells the student body why you should be its representative. All officers will be expected to attend the weekly Student Association meetings held on Tuesdays.

Early in September the Student Association will be asking for letters of intent to be submitted to Wick Desk (look for a banner in the lobby and listen to the mealtime PA announcements).

Even if you're not interested in running for one of these positions, please make sure you get involved by taking a few moments to vote for your class representative!
Welcome, new students and welcome back, friendly and familiar faces! We, in the Health Services Office, are hoping each of you has a happy, healthy, and successful academic year.

Hope as we might that three square meals a day, plenty of rest, time for work, as well as time for play, will keep you healthy; we know there will still be times that you may become ill.

For those of you who are not covered by your own health insurance, we offer the Daemen College Student Health and Accident Insurance Program. The 1997/1998 premium will be $450 per student. Spouse and dependent-child coverage is also available at the rate of an additional $728 per covered individual.

Use of the center is not limited to students who have enrolled in the Daemen insurance program; the center will file claims with all insurance companies that have no stipulations about the need to see specific doctors. Located directly across the street from the center is CVS Pharmacy for your prescription and other medication needs.

In the event of illness or injury, free transportation to the center will be provided for you.

If you have any questions about insurance, need health services information, just want to talk about a health issue, or need a copy of your immunizations for an affiliation or volunteer community service, stop in the Health Services Office in Wick Center.

We look forward to meeting you.

"Welcome"

I bid welcome
To all Daemen students
Wherever you hail from
Welcome ladies and gents

A year full of fun
New friends to make
Also papers to be done
And tests to take

There's lots to do
For seniors and freshmen alike
And so a fond welcome to you
In a Daemen fashion you'll like

COOP/Career Development ...NEWS

Come on in...

Upon your arrival/return to Daemen College, we would like to take this opportunity to invite you to our office to come in, take a look, and familiarize yourself with our services.

We provide service to all students, no matter what your year here at the College. For example, perhaps as a freshman, you would like help exploring a major or finding a part-time job off campus; or maybe you want information about taking the Prep Seminar. As a sophomore, you might want to begin gaining valuable experience by doing a CO-OP in your major. As a junior, you may wish to narrow down specific occupational choices and possible employers, as well as prepare your resume for upcoming job searches. In your senior year, you may want to open your credential file and have references placed in it; or perhaps you would like to start your job search using the Internet.

These are just a few examples of what our department has to offer. We have resources for all these areas, as well as numerous other ways to guide you, so that by graduation, you are ready to present your best foot forward to potential employers. Our professional staff is here to help. Please stop by. We are located in Canavan Hall, and are open from 8:30 a.m. - 4:30 p.m., weekdays.

Welcome New Students!

The offices of Admissions and Student Affairs welcomed new students to the college this summer with a new program they called TVS (from the 50th anniversary logo - Tradition, Vision, Success). Instead of simply having incoming students take placement tests and then return home, the offices planned some icebreaker get-to-know-one-another activities, an outdoor picnic, scavenger hunt, outdoor "walk-in" movie, mini-orientation classes, and an overnight stay in the dorms to help new students become acclimated to college life at Daemen.

It was the first time the college tried this sort of program, and student evaluations of it were generally enthusiastic. It was an extremely successful first effort and future programs will probably only get better and better.
APPLICATIONS ARE NOW BEING ACCEPTED FOR THE STUDENT ALUMNI ASSOCIATION!

WHAT IS THE STUDENT ALUMNI ASSOCIATION?
The Student Alumni Association (SAA) is an officially recognized Daemen College organization. As part of the ongoing celebration of Daemen College's 50th anniversary, the college held an outdoor concert and picnic on Sunday, July 13, 1997. The event featured a concert by the band The Boys of Summer, followed by a free picnic dinner with musical entertainment by the steel drum band, Tropical Explosion.

The event was held on the lawn in front of Curtis Hall, where large willow trees afforded a shaded retreat from the sun. The weather was beautiful, the music was very good, and the food was free! Needless to say, everyone who came, students, staff, and the neighboring community had a wonderful time. Thoughts of making this an annual tradition have already been expressed.
